

PRESENTS

2009 Employment Awards Fundraising Banquet

For more than two decades, Employment Options in Marlborough has provided services to people living with a mental illness. Through the Clubhouse program, we have assisted men and women achieve their goals towards recovery, by providing various services ranging from employment, housing, education, family supports, to social activities.

Every year Employment Options honors those who have been successfully employed in the year, at the Employment Awards Fundraising Banquet. This year the event will be held on *Thursday, May 14, 2009* at the Options Clubhouse. Employers, service providers, community agencies, funders, vendors, politicians, and agency friends, will attend this fundraiser to support and encourage those who worked in 2008, and in turn, our commitment to finding meaningful work for our membership.

We hope you will support us too, with an ad in our program book. The program book is a great way to showcase your company to a diverse audience. Proceeds from the event will be used to support the operations of Employment Options. We hope we can count on your support and consecutively help you promote your business.

Please see attached sheet for ad specs. ***Deadline for all materials is April 24, 2009.*** For further information about the past Award Dinner celebrations or Employment Options, visit www.employmentoptions.org.
